INVESTING IN THE FUTURE

Company Overview

Established in 1975, IFFCO is an international group based in the United Arab Emirates which manufactures and markets a well-integrated range of mass-market food products, related derivatives, intermediates, and services.

IFFCO runs 80 operations in 33 countries around the world and employs more than 12,000 people. Its products reach 4 continents. With a portfolio of +80 brands, it has firmly established itself as one of the main and most diversified groups in the Middle East.

IFFCO has been manufacturing vegetable oils for over three decades. During this period the company has invested in technologies, gained consumer insights and garnered an in-depth understanding of different customer segments. It has today emerged as one of the largest manufacturers of value-added vegetable oils and fats in the world with a range of oils, oil blends, bakery fats, specialty fats, margarines and butter blends. Our brands are trusted everyday by millions of consumers and customers across various food and non -food industries and the food service channel.

Vision

“ THE PREFERRED PROVIDER OF SUSTAINABLE VALUE-ADDED PRODUCTS AND SERVICES FOR EVERYONE, EVERYWHERE & EVERY DAY. ”

This vision statement directs our core principles, enabling us to excel and inspire customers, suppliers and employees.

Values

All that we believe in and stand for is enshrined in a set of clearly articulated values. It guides our actions and provides a touchstone for our decisions – an indicator to all our stakeholders about who we are.
